

Alphabet Soup Made Easy

Confused about all the GPS approach lingo; LPV, LNAV, LNAV/VNAV? Well, don't feel alone! Wide Area Augmentation System (WAAS) has added greater accuracy and approach capability, but it also has caused confusion among the General Aviation community. Attend this seminar and gain a valuable understanding of WAAS Navigation Procedures and Capabilities. Door prizes and FREE refreshments!

Directions: Seminar in Terminal / Museum Conference Room next to the restaurant.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
